DEPARTMENT OF
EDUCATIONAL LEADERSHIP &
POLICY STUDIES

HIGHER EDUCATION ADMINISTRATION ONLINE MS PROGRAM

The University of Tennessee offers a Distance Education Master of Science degree in Educational Administration with a concentration in Higher Education Administration. The degree offers advanced graduate study for individuals who aspire to work in higher education settings, including postsecondary institutions, policy and research centers, and government agencies. Professionals currently working in higher education settings will also enhance their leadership knowledge and skills for service in current and future positions.

WHAT TO EXPECT FROM THIS PROGRAM:

- Online format
- Can be completed in 12-15 months
- Personalized coursework
- Application through case study, reflection, thoughtful debate, and guided review of readings
- Enhanced leadership and management abilities
- Developed policy knowledge
- Practical research and evaluation
